Subject: chat with Texans Together re fingerprinting

Gary and Linda,

I was recently contacted by a lady with Texans Together (Jackie Young) who had recently received our powerpoint on the fingerprinting. She would like to have a chat with us to clarify some questions she has regarding the data. I thought it would be a good idea if we could all be on a call with her, hopefully in the next week or two. I am awaiting a rough idea of her availability, and will let you know as soon as I hear.

Thanks!

Phil
